

2017

TRAINING SCHEDULE

Enjoy hands-on Yellowfin training with fully catered lunch, morning and afternoon tea.

We have 3 skill levels: Exploration, Advanced, and Expert. Each level adds a layer of expertise to your use of Yellowfin.

The suggested pre-requisite for participation in Advanced and Expert level training is successful completion of the previous level.

If you are an experienced user, you may wish to skip directly to the level suited to your skills and interest.
